Along with dancing on the sidelines at football games, the varsity Tom Toms team performed during halftime and helped to lead the student section in cheers. "My favorite part about performing at football games is being able to see the student section get hyped up when we dance and be able to showcase all of our hard work," Johnson said. Photo by A. The homecoming parade, which took place at the Streets of Southglenn on September 26, gave clubs and athletic teams the opportunity to decorate homemade floats for students and community members to view. "I think the homecoming parade is an important part of homecoming week because it brings the Arapahoe community together and it lets teams and clubs collaborate and create something together," Walter said. The varsity football team successfully beat their opponents with the final score of 34-27. "I think what makes Arapahoe football unique is the way we get overlooked yearly. We never get out in the preseason [ranked] top ten and it's fun to prove everyone wrong," Acker said. Photo by A. Pfanstiel.
