Testing the Waters

The only Delta swimmer, Peyton Huntley '27, gets prepared to compete at State. As just a freshman, she practiced hard to go to the State competition. Huntley said, "It feels great. I'm really excited that I'm going to State with my team." In the State tournament the swim teams relay got 22nd out of 29th. "The conditioning practices were definitely the hardest thing to do," Huntley said.
