

strategy is key

digging deep
Troops take time on Thursday to listen to special guests that have been in the military to get more of an idea of what goes on in the Army.

note takers
Army Star students take time in note taking. Understanding the knowledge being taught to them will help in the long run if they are interested in joining the military.

Q & A

why did you decide to teach military club?

"Military Club is a good opportunity for students to get access to a better path in life post high school outside normal jobs or college. I wanted to make kids better people and better versions of themselves."

why should someone join military club?

"Kids who join get opportunities to have fun and take fun trips that help them learn more about the outside world. We just do cool stuff that isn't normal to other classes and just overall make you a better person."

opportunities
The ROTC had the opportunity to see a real Black Hawk helicopter. They gathered around after and explored and learned about the technology that helps the U.S. stay protected.
