

Clubs

Moments Together

Clubs are very important at Sunset. They get people of similar interest together. New long-lasting friendships are created a long the way. Clubs inspire new hobbies and more creativity.

Student Council

"What do you like the most about being part of your club?"

"I became part of NJHS because I get to volunteer for the school and the community."
- Ellery Chavel, NJHS

"I like robotics because I get to spend time with my friends and get to participate at tournaments."
- Shea Archie, Robotics

"I like being in StuCo because I get to help create fun new concepts and ideas that benefit the school."
- Carlos Legarda, Student Council

"I joined WEB because I get to help the 6th graders get used to being in middle school."
- Bo Chapman, WEB
