Most times school can also be 62-63 Outdoor Lab

YOUR PASSION, the thing 64-65 Current Events

that becomes your that

the thing that ultimately motivates you and that thing that consumes most of your time. Like finding the nerve to audition for the school play "The Best Christmas Pageant" Ever," and then getting a call back, then you're shocked to find out that you actually got a part. But then wait, you, actually, LOVE 157 And now you found your new passion.

Or you get put in robotics with Mrs. Jones, and now you're

totally into coding and even think you might want to join the robotics team next year? Or your friend drags you into doing the basketball tournament before school ends, and then, wait, you won it?! Not only that but you scored [-And now basketball is your thing, and you're forcing your parents to put you on a team. ...So, actually, now that you're thinking about it, school isn't nothing is it? It's actually more like

ppely's science class, Evelyn Moore

GET IT ROUGH! Basketball player Eli Vander Laan (8) tries to get a pass over Evan Drake (8) during the basketball tournament. Drake was in a pink bunny costume to portray there and showing the world how hard their mascot. "I really enjoyed playing with my friends, and just a good experience overall," Vander Laan said.

the closing night of "The Best Christmas" Pageant Ever." He played Charlie Bradley in the show. "What I enjoyed the most was meeting new people and building a community and getting out we had worked," Bonham-Fleming

during the basketball tournament, Gianluca Lombardi (7) shouts on the side lines. The team he was rooting for was the Flamingos even though he was the captain for the G.L. Elite. "My favorite part was that I got to watch the game up close, and basketball is just really fun to watch," Lombard said.
